HIT BY SPENT BALL.

Former Dallas Boy Shot in Leg in Woods Near Portland.

As the result of the action of hunters on the outskirts of the city, indiscriminately shooting at small game without regard for lives of passing people, Ross Elkins, an employee of Sherman, Clay & Co., was struck in the leg by a spent bullet Thursday while walking near Tremont station on the Mount Scott car line.

Dr. George H. Stowbridge, to whose country home Elkins was bound, brought the wounded man to the city and removed the bullet. The wound although painful is not regarded as serious. Several persons have narrowly escaped being shot in the same vicinity and the county authorities will be asked to detail a peace officer to arrest the shooters.—Portland Journal.

SUMMER EXCURSION RATES

Special Rates and Train Service to Newport For Season of 1907 on C. & E. Railroad.

Hotels, resorts and attractions at Newport are now open for the season, and indications all point to this famous Oregon "Coast Resort" being more popular this season than ever before.

A decided innovation, bound to be a source of great satisfaction to visitors and add greatly to the popularity of this fast-growing only "Oregon Coast Resort," was the opening on July 3rd of the "Newport Theatre," for the summer season by a "High class Stock Company," made up of some of the best stock actors on the Coast, to include various members of the well known "Baker Theatre Stock Company," of Portland. A series of the best stock plays available will be produced during the season with frequent change of bill.

About July 1st, there was opened to the public one of the largest and best equipped Skating Rinks in the Northwest, containing 12,000 square feet of floor space. The rink will be open continuously day and evening, except during bathing hours.

These two attractions will divide honors with visitors in filling a long felt want for some place to while away the evenings after the close of outdoor attractions.

This Company, as well as the Southern Pacific Company and Oregon Railroad & Navigation Company, have now on sale season tickets to Newport from all points in Oregon at greatly reduced rates. These tickets can be purchased daily and are good for return until October 10th, 1907.

In addition to season tickets, this Company and the Southern Pacific Company have placed on sale at reduced rates popular week-end three day tickets, good from Saturday to Monday, for the benefit of those who cannot advantageously use season tickets, but who desire to make frequent short interval trips to the "Beach during" the season.

This Company will also, commencing Sunday, June 16, provide special "Sunday Excursion" trains from Albany to Newport and return, and have on sale one-day excursion tickets at reduced rates for this train.

Passengers holding season or three-day tickets mentioned, can travel going or returning on Sunday Excursion trains.

For information relative to rates, trains, etc., see tariffs on file at stations for public inspection, or refer to any agent of Corvallis & Eastern R. R. Company, Southern Pacific Company or Oregon Railroad & Navigation Company.

It is reported that the champion basketball team of Alaska is arranging a series of games to be played in Oregon some time next winter. Having won the championship of Alaska, the young men now propose to make a tour of the states. Lovers of the sport in Dallas will be anxious to see the "Esquimaux" meet the College team.

The Veness sawmill at Winlock, Washington, is being negotiated for by a party of Seattle capitalists, the price paid to be above \$600,000. It was erected by the Prescott, Veness Company several years ago, they being former residents of the Willamette valley, and it has a capacity of 100,000 feet of lumber daily, employs 110 men and its monthly payroll is \$10,000. A. Prescott, of Salem, was one of its former owners. Mr. Veness lived in Independence for some time, and has recently purchased a residence site in Portland and will erect a commodious dwelling thereon.—Salem Statesman.

GRANDMOTHERS' PARTY

Mrs. Robert Howe Delightfully Entertains Neighbors at Afternoon Tea.

A Grandmothers' Tea Party was given by Mrs. Robert Howe at her home, Saturday afternoon, to which were invited Grandmothers Eliza Emmons, Martha Cosper, M. Guy, R. C. Craven, Catherine Richter, James Elliott, Harriet Veazie, Nancy Brown, A. Shultz, Eliza Powell, M. E. Hallcock, Chapin, Berry, Aldrich, Anna Coad, Butler, Williams, Lawrence, James Howe, Palmer, Martin, McDewitt, Hill, J. D. Smith, Fowler, Cobb and Gaynor.

Each guest was requested to write some smart or funny saying of her grandchildren, to be read as a part of the afternoon's entertainment, and there was no lack of evidence of the brightness of the younger generation. Old-fashioned music followed, rendered by old-fashioned voices that have sung the lullaby over and over again, soothing to sleep the grandchildren so dearly loved by these same grandmothers.

A delightful luncheon was served at 5 o'clock. At each plate was placed a little souvenir, to serve as a reminder of the very pleasant gathering and above all as a remembrance of Grandmother Howe.

COUNTY EXHIBITS

Polk County Will Have No Display at State Fair This Year.

The county exhibits at the Oregon State Fair in Salem are always interesting, and a big advertising feature for the sections represented. This year six counties will exhibit, as follows: Marion, Benton, Lane, Linn, Clatsop and Multnomah. The last two have never been represented before. The county courts of Multnomah and Clatsop counties have each appropriated \$1000 to provide for an adequate display.

Marion county will exhibit, but she will not compete for the prize. The outside counties say that Marion has an advantage in being near the fair. Accordingly she will withdraw and the other contestants will all have an equal chance.

Individual farm displays will also be a prominent feature in the pavilion. Two entries have already been made: Mrs. F. A. Wolf of Falls City and W. H. Hulbert of Albany. The first prize in this division is \$100 in cash and a \$75 Studebaker wagon, donated by that house, while the second premium will be \$50 in cash and a \$65 Iowa Cream Separator, donated by the Mitchell, Lewis & Staver Company.

Squib's Ground Spices, purest and strongest made. Stafrin Drug Company.
